

the Blue Danube

COFFEE HOUSE
San Francisco since 1979

MENU

all items available for here or to go

catering also available, please ask to speak with the manager

PHILOSOPHY

We at The Blue Danube pride ourselves in providing as many nutritious, delicious and homemade products as possible. We roast our own vegetables; make our own dressings, spreads, etc. So we know that only the best goes into our products. We also believe in supporting the community by buying the freshest ingredients possible from our local grocers and donate a portion of our proceeds to a different charity annually.

Thank you for your business!

306 Clement St., San Francisco, CA 94118
